PGC CATERING

CORPORATE TASTE SOLUTIONS

*We turn your
meal needs into*
PLEASURE

FOCUS ON YOUR BUSINESS.
LEAVE THE MEALS TO US.

PGC CATERING

* Success begins with one essential step: focusing on your own business.

* Every company has fundamental needs, and food service is one of the most important. With so many different responsibilities on your plate, why not leave your meal requirements to the experts?

* For instance, we have a great recommendation for your company's catering needs: **PGC Catering**.

* Our many years in the catering sector have allowed us to specialize in both delivered meal services and on-site production. For nearly 20 years, we have been serving a wide range of institutions -from hospitals and factories to universities and business centers- helping each of them become the best in their field.

PGC CATERING

* We also bring our catering industry experience into cafeteria, canteen, and restaurant management, which we have been operating since 2006.

* For all your food service needs, 1 phone call is enough. Call us, we will visit you and present our solutions.

* If your goal is to be number one in your field, let us add our touch to your success.
